

Dear applicants,

We profoundly appreciate your abstract submission.

This is to announce the amendment on your presentation.

You were asked to choose “Oral,” “Poster” or “Either” originally and so you did when submitted, however LOC and the referees reached conclusion that we will ask for the oral presentation even to the poster session applicants in case this presentation is judged to be better carried out orally.

At the same time, oral presentation applicants are needed to prepare a poster on the presentation, since all the abstracts become the subject of Best Poster Awards selection.

50,000 Japanese yen will be rewarded to up to 14 applicants who submitted the best abstracts.

We will try our best to include and realize your opinions, putting them into our primary consideration.

Further inquiries are accepted at the secretariat and the contact information is listed in the end.

Your kind understanding is much appreciated.

Best regards,
